**If it's on the ground
it's in your water**

Commonwealth Water Education Project

This work was funded in part through a grant from the U.S. Environmental Protection Agency to the Kentucky Division of Water and University of Louisville to Western Kentucky University

MY GRANDPA SAYS **KEEP LIVESTOCK** OUT OF THE STREAM

Animal Waste
from farm animals and
pets can be washed by
storms into streams,
where children play! That
can make them sick; we
have to fix it! Learn how.
